

The Genea + Avigilon Alta Integration

Video surveillance meets cloud-based security control in the Genea + Avigilon Alta integration.

Connect Video to Genea Security

Sync door access events to security video using a simple API key. When an event occurs, video is sent to the dashboard in Genea Security.

Robust Features

Genea Security + Avigilon Alta gives you the security you need from only one dashboard.

 Map live cameras directly to doors

 Monitor all streams from one video wall

 Lock and unlock doors from your video player

 Use the advanced video player for quick playback

Simple Setup

- ✓ Click the integrations tab within the Genea Security dashboard
- ✓ Enter your Avigilon Alta API Key
- ✓ Customize your video capture settings
- ✓ Map your Avigilon cameras to your Genea doors
