

# Genea Access Control + Avigilon Unity

Cloud-based security meets premier video management with the Genea Security + Avigilon Unity integration.

## A 'Single Pane of Glass' Solution

Connect your video management and access control systems using a simple API key. Any time an access event occurs, watch its corresponding video inside the Genea dashboard.

Stream live video from inside Genea.

Link video to corresponding access control events or alarms.

View multiple video feeds from one camera wall.

Map doors, cameras, IoT sensors, and more within Interactive Floor Plans.

## Simple Setup

- ✓ Click the integrations tab within the Genea Security dashboard.
- ✓ Enter your API Key.
- ✓ Map your Avigilon cameras to your Genea doors.
